

SIGNATURE SANCTUARY

FACT SHEET

What is Signature Sanctuary Certification?

- Our most elite and customizable environmental certification verifying sustainable design, construction, and long-term management of golf courses, communities, and resorts.
- A way to unify your team. By pursuing certification, architects, owners, managers, key stakeholders, and Audubon International work together to outline economic and environmental goals now and in the future.
- A science and data driven certification ensuring economic and environmental goals are achieved, verified, and sustained in the long-term.

Are there different levels?

- Four levels of Signature Sanctuary certification (bronze, silver, gold, platinum) offer options for every property.
- The certification is flexible and adaptable to each property, but generally involves:
 - Developing a Natural Resource Management Plan
 - Meeting Natural Resource Management (Maintenance) Center -or- Maintenance Plan guidelines
 - Conducting environmental monitoring
 - Creating or adding to native plantings (percentage varies per level)
 - Establishing a Resource Advisory Committee

Who is eligible?

- Golf courses (new construction and renovating)
- Resorts (new and renovating)
- Communities (new)

Focal areas:

- Environmental Planning
- Construction Timeline & Management
- Best Management Practices
- Landscaping & Cultural Practices
- Integrated Pest Management
- Water Conservation & Water Quality Management
- Environmental Monitoring
- Natural Resource Management Center
- Waste Management & Energy Planning
- Wildlife and Habitat Enhancement

How does it work?

Certification Process:

1. Enrollment
2. Initial site assessment visit & site plan reviews
3. Monthly reporting
4. Development & approval of Natural Resource Management Plan
5. Final environmental audit & site visit

Recertification Process:

1. Annual Reporting (inc. EIQ chart and water quality results)
2. AI recertification site visit (every 3 years)

What is the cost?

One time registration fee of \$15,500* includes:

- Three site visits (excluding travel expenses)
- All Audubon International labor through certification
- First year membership fee

There is a \$950 membership fee each year thereafter and an \$1,000 recertification site visit fee every three years.**

*Base fee for a single 18-hole golf course in North America (bronze, silver, gold level). International, multi-part projects and platinum level projects will receive a customized proposal.

**Additional site visits are available at the expense of \$1,000/day plus travel expenses.
